Capacity Building Workshop on Open Source DSpace-9

November 20-22, 2025

About Indian Statistical Institute :

The Indian Statistical Institute (ISI) is a unique institution devoted to the research, teaching, and application of statistics, natural sciences, and social sciences. Recognized as an *Institute of National Importance* by an Act of Parliament, ISI has made remarkable contributions to education and research.

The Documentation Research and Training Centre (DRTC), established in 1962 by Prof. S. R. Ranganathan, is an internationally recognized centre for advanced training and research in Library and Information Science. A unit under the Social Science Division of ISI, DRTC at ISI Bangalore has played a major role in pedagogical and research advances in the Indian LIS milieu.
