

# North-East Summer Workshop in Analysis and Probability 2017

Manipur University, Imphal, Manipur  
July 06-10, 2017

Funded by : Indian Statistical Institute

*This workshop aims to provide participants with an opportunity to examine, explore and integrate a range of practical and theoretical aspects of Mathematical Analysis and Probability.*

**Who can apply:** Final Year MSc (Maths) students, Research students (Maths) and College and University teachers (in Maths) from North-East part of India.

**How to Apply:** The duly filled application form (available in the workshop website) should be sent to us by May 25, 2017. The list of selected candidates and additional informations will be posted in the workshop website by June 4, 2017.

**Support:** Outstation participants will be paid travelling allowance (only by sleeper class train and bus and against original receipts) from their working/residence place in North-East part of India to Manipur University. Boarding and lodging will be provided during the workshop period.
