

North-East Summer Workshop in Analysis and Probability 2015

Tripura University, Agartala
June 27 - 30, 2015

Supported by: Indian Statistical Institute

This workshop aims to provide participants with an opportunity to examine, explore and integrate a range of practical and theoretical aspects of Mathematical Analysis and Probability.

Who can apply: BSc (2nd and 3rd Years Maths Hons.) and MSc (Maths) students, Research students (Maths) and College and University teachers (in Maths) from North-East part of India.

How to Apply: The duly filled application form (available in the workshop website) should be sent to us by May 10, 2015.

Support: Selected participants will be paid travelling allowance (by sleeper class train and bus) from their working/residence place in North-East part of India to Tripura University. Boarding and lodging will be provided during the workshop period. There is no registration fee. The list of selected candidates and additional informations will be posted in the workshop website by May 20, 2015.

Contact persons:

- (2) Shyamal Debnath, Tripura University. M:9436548365, debnathshyamal@tripurauniv.in

Workshop Website: <http://www.isibang.ac.in/~jay/NE/ISITU2015.html>

Organized by: B. V. R. Bhat and Jaydeb Sarkar (ISI Bangalore) and Shouvik Bhattacharya, Shyamal Debnath and Anjan Mukherjee (Tripura University).

Speakers and topics:

B. V. R. Bhat, ISI Bangalore, on
Linear Algebra

B. V. Rao, CMI, Chennai, on
Probability

T. S. S. R. K. Rao, ISI bangalore,
on Real Analysis

Jaydeb Sarkar, ISI Bangalore,
on Complex Analysis
