ADVERTISEMENT

Applications are invited for one (1) purely temporary position in the Systems Science and Informatics Unit (SSIU) at the Bangalore Centre of the Indian Statistical Institute to work as a Project Linked Personnel (PLP) in the project titled, “Synchronization and desynchronization in seizure network,” funded by the Indian Statistical Institute (ISI) from April 2018 through March 2021.

Qualification:
Essential: B.E./B.Tech. in Biotechnology, Electrical, Electronics, Computer Science, Biomedical Engineering, Information Technology, Instrumentation, Embedded Systems or related areas, or MCA, or, M.Sc. in Computer Science, Information Technology, Biotechnology, Statistics, Physics or related areas. Excellent MATLAB and Python programming skill is a must. Experience in signal processing will be a big plus. Knowledge of Linear Algebra, Calculus, basic Statistics, Probability and Machine Learning is desirable. Exposure to Information and Coding Theory will be greatly appreciated.

Pay: Rs. 24,833/- (twenty four thousand eight hundred thirty three only) per month consolidated.

Interested candidates are requested to send their latest professional CV and a one page statement describing "Why interested in this position?" to the Principal Investigator Kaushik Majumdar, Systems Science and Informatics Unit, Indian Statistical Institute, 8th Mile, Mysore Road, Bangalore 560059; e-mail: kmajumdar@isibang.ac.in (electronic submission preferred). No application will be processed without the said statement. Candidates desirous and capable of pursuing a PhD in Computer and Communication Sciences Division in ISI are particularly encouraged to apply (Please visit http://www.isical.ac.in/~admission/ for the necessary detail). Applications will be reviewed until the position is filled. The appointment will initially be for one year, extendable till the end of duration of the project, subject to satisfactory performance.
The Institute reserves the right not to appoint anyone in this project in case no suitable candidate is found.
