Second Semester Final Examination  
Paper 10: Study of Subject

Date: 02.05.2024

Max. Marks: 80  
Time: 3 Hours

Answer *any four* questions.

1. a) What is the importance of the study of subject for Library and Information Science professionals? [10]  
b) Differentiate between application subject and tool subject. State two examples for each of them, with respect to your topic of study. [6+4 = 10]
2. Discuss the methodology or approach followed in studying your subject for the project. [20]
3. With respect to the project, explain your role in the study of subject and how other team members collaborated to complete the study. ~~[10]~~ [20]
4. State the different classification and controlled vocabulary tools used for the study. How are they related to understanding and evaluating a subject? [10 + 10] = [20]
5. Discuss the challenges faced during the study of subject project. How did you overcome them? [10+10 = 20]
