

Indian Statistical Institute
Documentation Research and Training Centre
MS (LIS) (2024-26)
Second Semester Final Examination
Paper 10: Study of Subject

Date: 30.04.2025

Max. Marks: 80
Time: 3 hrs.

Note: Answer any four questions.

- 1) How does the 'study of subject' contribute to the professional growth of Library and Information Science (LIS) practitioners? [20]
- 2) Explain your individual contributions to the project and describe how your team coordinated efforts to complete it. [20]
- 3) What were the main objectives behind choosing your subject for the project? How did the use of ICT tools or digital platforms enhance your subject study? What are the future prospects or areas of research related to your studied subject? [5+10+5]
- 4) Explain each step followed during the 'study of subject' project. Support your explanation with relevant examples from your chosen subject. [15+5]
- 5) Highlight key difficulties encountered during the study. What strategies did you employ to address those issues? [20]
