Post-Doctoral, research associate and short-term visiting positions at Stat-Math Unit

Indian Statistical Institute, Bangalore

(A) The Theoretical Statistics and Mathematics Unit of ISI-Bangalore invites applications for Post-Doctoral positions. Candidates must be supported by one of the external funding agencies (e.g. NBHM, CSIR, DST, INSPIRE faculty fellowships etc.). The tenure of such fellowships/positions will be governed by the norms of the funding agency, and additionally it will involve some nominal teaching related duties (e.g. tutorship, invigilation work, grading/teaching).

Documents: Along with the application letter, the candidates must also include the following documents in a ZIP file: (1) CV with a list of publications, (2) A write up of work already done along with a plan for future work, (3) Soft copy of Ph.D. thesis, and preprints/reprints, and (4) award letter of the fellowship. Also please arrange recommendation letters from two referees (one from the supervisor, in case of fresh Ph.D.) familiar with applicant's research work, to be sent directly by the referees to the Head, Stat-Math-Unit, ISI-Bangalore at the email id jay AT isibang DOT ac DOT in

(B) We are also pleased to announce a short-term visiting program over a duration of 1 week to 3 months (non-extendable). This encourages scholars and researchers from all over the world to engage with our faculty and students. A prospective visitor may contact a faculty member of his/her interest.

Eligibility: Ph.D. from a recognized Institute/University. Candidates who have freshly submitted their Ph.D. thesis are also encouraged to consider the short-term visiting program.

(C) ISI funded Research Associate (RA) positions: Currently there is 1 RA position available in Bangalore Centre and the deadline for applying is September 21, 2022. Please open the following link for information on the eligibility criteria and application process:
